Other Services

Quoting, Plant Ordering and Collation

We are very happy to quote on individual lists. Please email sales@nicholsonplants.com

We offer a full plant collation service for orders and will try and buy in plants to fulfil orders where these are required. To cover our administration costs on buying to order we will add a £25 charge for sourcing plants on orders under £500.

Delivery

We offer a full delivery service, either by our own transport, by using a national carrier or haulage contractor. We try and keep the costs of this as competitive as possible. Please ask for a quotation – it will depend on the location and whether we can link it in with other orders. We offer to deliver the plants kerbside as with all other companies, but can take it "down the garden" if previously agreed and at an additional charge.

Supply and Plant

For most of the plants we sell we offer a planting service. Please speak to one of us for more details, we charge hourly for time on site currently at £35 per man hour. We will send either 1 or 2 people depending on the size of the trees and the scale of the job. The cost of the delivery is extra.

Advice

We are here to help and would be pleased to offer advice on all the plants we sell. We can also help on most related enquiries – we have our own Landscaping and Forestry divisions that can offer further assistance. If in doubt call in to see us, ring us or email us.

Terms and Conditions

See our Terms and Conditions on our website; www.nicholsonplants.com

Information Guide

We do have an information guide which is available on our website under the "advice" tab. This includes information on planting, advice on hedging and screening, fruit and ornamental tree guidelines etc. A printed version is also available.
