Plants

Introduction and Opening Times

Thank you to all our existing customers for your purchases and loyalty.

Following on from last year's very comprehensive Plant List and Information Guide, which we hope you found useful, we have decided on a simpler format for this year:

- This brochure details who we are and what we do.
- We have produced a short Price List for our Container Grown and Bare Root Trees and Hedging, including Sundries. The rest of our stock is continually fluctuating in numbers, species, sizes and form. The Plant Centre is fully stocked and all plants individually priced. Our website has full stock lists, prices and availability. This allows us to stock extra and unusual plants as they are available.
- We can of course quote on individual projects, delivery of your plants and we can even offer a planting service. Our friendly and knowledgeable staff are always on hand to help.

We look forward to seeing you soon.

Opening Hours

Our general opening hours are:

Monday to Friday 7.30am to 4.00pm

Saturdays! We will be open on all Saturdays in September, October, March, April and May.

Christmas Saturdays: We will be open on the first two Saturdays in December

We will be open on **Good Friday**

Customers are very welcome to visit the Nursery at any time during the above hours – please see the map opposite, for directions.

Prices

All the prices are inclusive of VAT. Prices do not include delivery, please see page 5 for further details.

We accept cash, cheques and most major credit cards (except American Express). Account customers can also pay direct into our bank account – details of which are on each invoice.

Availability

Bare Root Plants

These are available during the winter season when the plants are dormant – normally mid-November to the end of March. We do carry bare root stock during this time, but advance ordering is recommended.

Container Plants

These are available at all times of the year, but the best time of year to plant is still September to May. Availability will vary throughout the season so advance ordering is recommended.

Christmas Trees

We will be stocking Nordmann Fir – Needlefast – trees this year. Please pre-order if possible especially for larger trees. They will be available from 1st Dec and we will be open on Saturday 5th and 12th Dec 9am-4pm.

Quoting, Plant Ordering and Collation

We are very happy to quote on individual lists. Please email cat@nicholsons.gb.com We offer a full plant collation service for orders and will try and buy in plants to fulfil orders where these are required. To cover our administration costs on buying to order we will add a £25 charge for sourcing plants on orders under £500.

Delivery

We offer a full delivery service, either by our own transport, by using a national carrier or haulage contractor. We try and keep the costs of this as competitive as possible. Please ask for a quotation – it will depend on the location and whether we can link it in with other orders. We offer to deliver the plants kerbside as with all other companies, but can take it “down the garden” if previously agreed and at an additional charge.

Supply and Plant

For most of the plants we sell we offer a planting service. Please speak to one of us for more details, but we charge hourly for time on site currently at £35 per man hour. We will send either 1 or 2 people depending on the size of the trees and the scale of the job. The cost of the delivery is extra.

Advice

We are here to help and would be pleased to offer advice on all the plants we sell. We can also help on most related enquiries – we have our own Landscaping and Forestry divisions that can offer further assistance – see opposite. If in doubt call in to see us, ring us or email us.

Information Guide

We do have an information guide which is available on our website under the “advice” tab. This includes information on planting, advice on hedging and screening, fruit and ornamental tree guidelines etc. A new printed version will be available soon.
